Dear Hilary,

Neighbourhood Development Plan

Bredfield Parish Council wishes to apply for the designation of the civil parish of Bredfield as a Neighbourhood Area, under Neighbourhood Planning (General) Regulations 2012 (regulation 5).

We confirm that the Council is a relevant body for the purposes of Section 61 (g) of the Town and Country Planning Act (1990) (amended by the Localism Act 2011).

The existing Parish boundary has been selected as the boundary of the plan as we believe it appropriate to be a designated Neighbourhood Area, it being a well-established and recognised area.

A map is enclosed showing the Parish boundary marked in black.

A working group has already been established and preliminary work is already under way.

The Parish Council look forward to working with SCDC to ensure that future development of Bredfield meets the aspirations of the community whilst ensuring that the character of the village is retained.

Yours sincerely,

Rod Caird
